

# Lakewood

*The Lakewood is designed with your pleasure in mind*

Your only dilemma when choosing a Lakewood as your new leisure home, is which of our lounge layouts best suits your requirements. Picture yourself, dining al fresco on the covered veranda, or incorporate the space into the lounge area and maybe have a decking area built when you have selected a suitable site for your new leisure home.

Our designers, with their usual panache, have created a wonderful environment for you to spend your free time, with your family or your friends.

The fully fitted kitchen as usual, offers our integrated appliances package. For 2010 the soft furnishings have been restyled in an attractive teal blue or more daring red, for our complimenting curtains and suites.

The bedrooms also have new interior design packages which Stately Albion are confident will charm you. Both bedrooms have ample storage, with the advantage of hat lockers to the second bedroom.

The Lakewood has a fully tiled attractive bathroom, with a fitted vanity unit, and a shower over the bath. The Master bedroom has an en suite with a fully tiled shower cubicle and useful vanity cupboard.

Be confident, by choosing a Lakewood, the strain and stresses of everyday life will be sure to ebb away!
