

Richmond

A lodge that is indulgent in pure serenity

At Stately-Albion we know your leisure time is important to you, we also know that you would like to spend that time in comfortable and modern surroundings. The Richmond offers these things and a whole lot more.

With its vaulted ceiling and open plan living area, The Richmond gives you a sense of comfort and space that is accentuated by its double French doors, side panels and feature glazed infill to the gable that allows clear views of the world outside whilst you relax on your spacious and comfortable sofa. The living space has a modern feel with those extra touches such as a contrasting fireplace wall giving the home a contemporary air.

The kitchen, with its island counter, has all the things you would expect to find in an up to

date home, including oven, hob and integrated appliances. Although compact you will have enough space to prepare an intimate meal for two or hold a dinner party for more.

The main bathroom is fully tiled and fitted with a shower bath that allows you the luxury of either a quick shower to start your day or a long relaxing bath at the end of a long relaxing day!

The Bedrooms are equipped with plenty of drawer and hanging space, with the master bedroom having a walk through dressing area leading on to an en-suite shower room.

The Richmond is superb new addition to the Stately-Albion leisure range that is guaranteed to bring you a relaxing lifestyle for years to come.
