

Seawood

Stylish yet comfortable, the perfect place to spend your leisure hours.

From the moment you enter the Seawood through the french doors, the luxury is obvious.

Vaulted ceilings and the splendid glazed frontage produce a light and spacious feeling that contradicts the fact that you are in a single width home.

In the Lounge area the specially designed chaise longue leather suite with our complimentary soft furnishings, are enhanced with Stately Albion's usual attention to detail, a modern chrome theme which is continued throughout the home.

We have designed an open plan kitchen-diner arrangement, with a low wall to the lounge

area, to ensure that the chef is always part of the conversation! Attractive fitted kitchen units conceal an integrated fridge with your choice of either a integrated dishwasher or washing machine.

The comfortable bedrooms have en suite facilities to the master bedroom, with a family shower room just along the hall.

Should the temperature outside drop, the excellent central heating system and double glazing ensures that you will not notice it.

However long your stay, we are confident that this delightful home will exceed your expectations.
