

Chatsworth Lodge

Leisure living at its best in a Stately home

Due to the ever increasing popularity of our Chatsworth homes, Stately Albion have devised a Lodge to compliment the range.

With all the high standards anticipated from the Chatsworth, this is a lodge with the 'wow' factor that you would expect.

The long bay windows, complimented by gold bar georgian glazing, allow you to appreciate the views and sunlight. The fully integrated kitchen with stainless steel appliances, and glazed illuminated display cabinets, will certainly please the lady of the house.

The lounge suite with a 3 – 2 – 1 seating arrangement, will accommodate your seating

requirements for your family and guests. The soft furnishing décor, has been selected from our Chatsworth range, but as always, if you would like to change something, please contact our friendly sales staff.

A corner bath in the family bathroom, has gold coloured fixtures and taps, the bathroom is of course half tiled. An en suite is attached to the master bedroom, which has a full complement of wardrobes and drawers. The guest bedroom is fitted with a double bed and again lots of wardrobe space and drawers for storage.

Stately Albion know that the Chatsworth Lodge is yet another winner in the Chatsworth range!
